Training Solutions

17th Edition IEE Wiring

Regulations

City & Guilds 2382-15

Aim

To deliver competence based training and assessment that will lead to the award of the City and Guilds 2382-15 certificate for the IEE Wiring Regulations of electrical installations.

Pre-requisites

There are no prerequisites; however an electrical background would be advantageous.

Course Duration

The course is of three days in duration.

Optimum Number

Maximum of 8 delegates per course.

Course Language

The course is delivered in English. Therefore candidates must have good standards of both written and verbal English.

Courses can be delivered in other languages however, this would need to be discussed prior to acceptance on the course. It is the responsibility of the person making the booking to make Roxby aware of this requirement.

Training Aids

PowerPoint presentation, information hand-outs & textbook.

Assessment

There is a City and Guilds Evolve online examination on the third day of the course. This is a nationally recognised certificate and will be awarded to candidates by City & Guilds if they successfully complete the multiple choice paper.

If delegates do not take the City & Guilds examination they will only be awarded a Roxby Training Limited Certificate of Attendance.

Course Objectives

The course will confirm the understanding of the delegates in BS 7671, The 17th Edition of the IEE Regulations.
