COURSE CONTENT

Aim

To deliver competence based training and assessment for a range and level of electrical skills that fulfils the needs of both client and delegate.

Pre-requisites

There are no pre-requisites however; an electrical background would be advantageous.

Course Duration

Dependent upon client's and delegates requirements.

Optimum Number

Maximum of 8 delegates per course.

Training Aids

Information hand-outs.

Course Objectives

The course will provide training and assessments to delegates for an agreed range of skills of varying levels to suit the individual requirements of both delegate and company.
