COURSE CONTENT

Aim

The aim of the course is to provide delegates with a greater understanding of Permit to Work Systems.

It is also the aim to ensure that Managers, Supervisors and others who work or may work or control work under a permit to work (PTW) understand the Health & Safety responsibilities inherent in such hazardous work.

Pre-requisites

Knowledge of the delegates own working environment would be desirable, but not essential.

Course Duration

The course is of 1 day in duration.

Optimum Number

Maximum of 8 delegates per course.

Training Aids

T.V., Video, PowerPoint, OHP, Information hand-outs.

Assessment

There is an optional assessment.
