

ROXBYP

Training Solutions

NEBOSH

General Certificate in
Occupational Health and
Safety

Course Content

Aim

The course is aimed to give the candidates a valuable overview of the core aspects of occupational health and safety.

Pre-requisite

Designed for managers, supervisors and employees who have health and safety responsibilities.

Course Duration

The course is 11 / 12 days in duration (10 days training, 1 day for assessments and an optional 1 day for revision)

Optimum Number

A maximum of 10 candidates per course.

Course Language

The course is delivered in English. Therefore candidates must have a good standard of both written and verbal English.

Courses can be delivered in other languages however, this would need to be discussed prior to acceptance on the course. It is the responsibility of the person making the booking to make Roxby aware of this requirement.

Training Aids

Use will be made of PowerPoint Presentation, course notes / hand-outs, videos and discussion.
